REPORT OF THE STRAFFORD COUNTY DELEGATION.

Concord, N. H., Jan. 10, 1911.

MINUTES OF THE FIRST MEETING OF THE STRAFFORD COUNTY DELEGATES.

The meeting was called to order in section four in the House of Representatives, with Otis of Dover as temporary chairman.

The organization was perfected by the election of Michael O'Malley of Somersworth as permanent chairman and Frank Shapleigh of Middleton as secretary.

It was decided to meet as a delegation and inspect the County Institutions as a date to be fixed by the chairman.

On motion the meeting was adjourned, subject to call of the chairman.

FRANK SHAPLEIGH, Clerk.

At the call of the chairman the Strafford County Delegates met at the County Farm on February 6 and inspected the buildings and heard the recommendations of the County Commissioners. On motion roll call was dispensed with.

Chairman Hanson of the County Commissioners when called upon stated that the county reports for the current year were in the hands of the printer, and asked that all recommendations expected from the County Commissioners be postponed until a later date; his request was granted without opposition.

Shapleigh of Middleton moved to authorize the chairman to appoint five members of the delegation as a committee, to visit within a reasonable time, the other institutions of the County.

Motion carried. The chairman deferred the appointment of said committee until some future date.

Upon motion of DeMerritt of Durham, it was voted to authorize the Clerk of the delegation to notify the County Commissioners and the delegates of the date when the county institutions referred to would be visited by the committee appointed.

Upon motion of DeMerritt of Durham, meeting was adjourned subject to call of chairman.

FRANK SHAPLEIGH, Secretary.

COMMISSIONER'S REPORT.

TO THE CITIZENS OF STRAFFORD COUNTY:

In accordance with the laws of the State of New Hampshire, herein is contained the report of the County Commissioners for the year ending Dec. 31, 1911, together with a statement of the financial standing of the county and a report of the various county officers.

The County Farm during the past year has continued under the able direction of Mr. Edward A. Willandas Supt., and Mrs. Edward A Willand as Matron. Results in all things are what determine a person's worth and in summing up the heads of this institution we invite you to inspect the several buildings and see the way things are conducted, and also to see how tenderly those less fortunate are cared for.

In the Alms House much repairing was needed, the floors and ceilings in some parts of the building were in very bad shape; to remedy this new hard wood flooring has been laid in the two dining rooms used by the inmates, in five of the the sleeping rooms in the men's department and in one of the large chambers in the Supt's department. New steel ceilings have been put in the parlor and Supt.'s office and in the hallways in the Supt's. part of the house. The dining room, parlor, office and lower hall have been painted and papered. The only repairs found necessary in the Power House was the laying of a hard wood floor.

Owing to the unsafe condition of the tie-up in the cattle barn, it was necessary to build practically a new tie-up, as we have been forced to lay new timber and a new flooring the entire length.

It has been our endeavour to put the piggery all under one roof and to improve the looks of the farm buildings in general by avoiding a number of small buildings of different sizes, to

accomplish this it has been necessary to remove a small building, do a considerable amount of grading, and erect a building 32 ft. long as an addition to the old piggery. The rotted condition of the old piggery required new sills and a new floor.

The water pressure at the House of Correction is not of sufficient pressure to successfully operate the type of closets which were in use in this building, consequently it has been necessary to remove the old closets and substitute more suitable ones. We find that the change not only improves sanitary conditions in this building but is the remedy for an unnecessary waste of water.

It has been considered expedient to build two new hydrant houses large enough to hold the necessary wrenches and sufficient hose to reach the various buildings, heretofore the hose and necessary wrenches have been kept over the engine room. It can readily be seen that valuable time is lost in conveying and coupling of hose to the hydrant. Under this new plan we not only hope to get water to a fire a good deal quicker but also to eliminate the possibility of having to contend with frozen hydrants.

One hundred feet of new hose has been added this year. Eight new fire extinguishers have been placed at points of advantage in the several buildings.

COUNTY POOR AWAY FROM FARM.

In a good many cases where there is a need of outside assistance it is cheaper for the County and better for those needing aid that they should be helped in their own homes, rather than taken to the Farm. In on part of the work of the Commissioners is there need of a more careful watch being kept than in this branch of the work, aiding the needy. Each application for help need careful investigation and it takes much time and attention for each individual case, and even after all this care we hardly feel that we are perfectly satisfied with results. Under this head is included the soldier and his widow when in need of help.

SUPPORT OF CHILDREN IN FAMILIES.

Much can be said on this subject, and we are unable to see much chance to lessen the expenses of this department, naturally as the county grows in population, it is reasonable to expect that the expense will increase proportionally.

Cost of supporting children in homes and fam-

ilies for the year ending Dec. 31, 1911. \$5,793 76

COURT HOUSE.

At a meeting of the Strafford County Delegation an appropriation of \$11,000, was made for repairs and improvements on the Court House.

Most of the work has been let out by contract. The commission has in every case endeavoured to have the work done by responsible firms, and the results that are obtained indicate that we made no error in our choice.

The woodwork ,walls and ceilings of the entire building

have been cleaned and painted. The building has been wired throughout for electric lights and neat combination gas and electric fixtures placed in position.

The Court Room has been changed considerably, the raised seats have been removed and the floor placed on a level, with the exception of the Judges' Bench, the desk for the Clerk of Court and the Jury seats which are slightly elevated. The room is lighted by a large chandelier carrying 16 electric lights; 8 combination lights are placed at various places on the wall. The inside blinds have been removed and green shades used in their place. The floor is covered with a thick, brown colored linoleum.

The rooms of Register of Deeds and Register of Probate have been remodeled, the floors, walls and ceilings are of fireproof material, steel desks replace the old wooden ones and the cases and files are of the latest design, making a fireproof and convenient receptacle for the preservation of valuable documents.

The work at the County Jail has been mostly in the line of sanitation. The closet which adjoined each cell to the number of 20 have been removed, and there has been built 2 new closets one on each walk which seems to meet the needs of an institution of this size. Not only has this improved the sanitary condition for those unfortunate enough to have to remain here, but it has meant a large saving in the water bill. The interior of the jail has been painted, the prisoners doing the work.

FINANCES OF THE COUNTY.

The following statement shows the finances of the County to be in a very satisfactory condition.:

Cash on hand Jan 1, 1911	\$51,447 70
Cash on hand Jan. 1, 1912	59,881 92
Net surplus as shown by Treas report Jan. 1, 1911	24,853.76
Net surplus as shown by Treas report Jan. 1, 1912	36,881 92
Surplus net gain for year 1911	\$12,028 16

We have a net surplus on hand as shown by Treas. report of \$36,881.92, the county debt amounts to \$23,000.00; it can readily be seen that if it was not for \$12,000.00 in time notes one \$3000 note expiring each year, 1912-13-14-15; it would be possible to clear the county of debt, as the balance, a note of \$11,000.00, will be cancelled in March, 1912.

In conclusion the Board desires to extend thanks to the Supt. and Matron at the County Farm, County Physician and Overseers of the Poor, and all other County Officials for the able manner in which they have discharged their duties.

Respectfully Submitted,

EDGAR J. HAM,

FRANK M. LIBBY.

CHAS. E. HOITT,

Commissioners of Strafford County.

Report of Superintendent of Strafford County Farm and House of Correction.

DOVER, N. H., JANUARY 1, 1912.

TO THE BOARD OF COUNTY COMMISSIONERS:—

GENTLEMEN:—I herewith submit my report as Superintendent of the Strafford County Farm and House of Correction for the year ending Dec. 31, 1911.

The harvest of crops, in view of the dry season, the late spring, and unusually early frost was very satisfactory. The dairy results, taking into account the large amount of milk, butter, etc., which is consumed at the farm are exceptionally good, and the prospect for the coming year is even brighter. The dairy herd is in far better condition now than at any time during the last few years.

It became necessary this year to make many sorely-needed repairs both in the house and through the out-buildings as follows:—new floors, steel ceilings, and painting in the Superintendent's department; new timbers, and floorings at the barn; repairs and a new building at the piggery. All these, though much needed, have made additional expense to a considerable item.

During this year a large number of the poor, formerly cared for by the cities and towns, have been sent to the farm. This is surely a wise policy, in that it lessens the pauper account in the respective cities and towns, and the poor can be supported at the farm at much less cost. At the same time, in justice to our expenses, it can be seen that this throws additional expense upon the County Farm. If this policy is to hold, and there is no doubt that it is a wise course to pursue, then it seems more and more urgent that better equipment should be provided at the farm for the care of these people, nearly all of whom are aged, infirm, and sick.

Now, gentlemen, permit me to thank you publicly for the pleasure I receive from my association and work with you. Allow me to say, that your weekly visits to the farm are a delight and comfort to the old and sick people under our charge.

I am indebted to our Chaplain, the Rev. Mr. Cummings, to our physician, Dr. J. J. Morin, and to all my assistants at the farm for faithful and generous support in their various departments. My thanks are hereby extended to them all.

The Chaplain has from time to time brought friends from his church at Gonic who have furnished pleasing music at our Sunday services and in the sick rooms.

The W. C. T. U., paid a visit to our institution, bringing to our inmates sunshine and cheer and substantial gifts as well.

To all these friends and helpers, I esteem it a great pleasure to extend publicly my sincere thanks.

Respectfully submitted,

EDWARD A. WILLAND. SUPT.

RECEIPTS.

REPORT OF PHYSICIAN.

TO THE COMMISSIONERS OF STRAFFORD COUNTY:

GENTLEMEN:—I herewith submit my report as physician to the County Farm for the year ending Dec. 31, 1911.

We have had but a comparatively few acute cases at the farm, due in a great measure to the good sanitary condition of the buildings. From a sanitary standpoint our institution compares very favorably with others of its kind throughout the state. I wish to take this opportunity to thank the nurses for their faithfulness and devotion to duty. Mr. and Mrs. Willand for their kind and courteous treatment, and you, Sirs, for your kindness, support and encouragement.

The number of births was three, while the deaths numbered twenty-one. Average age at death was 67½ years.

TO THE COMMISSIONERS OF STRAFFORD COUNTY:—

REPORT OF CHAPLAIN

TO THE COMMISSIONERS AND CITIZENS OF STRAFFORD COUNTY:—

In giving this my annual report as chaplain, I would say: The work for the past year has been much the same as in the previous years. The holding of Sunday Services in the Chapel, the visiting in their rooms of the sick and suffering, the giving of a helpful and cheerful word, the brief prayer for help, the having of good and interesting literature, thus I have been able to become a blessing to many of those under your care. In this work I have been greatly helped by the kindness of those singers who have been willing to devote their time and ability Sunday afternoons, to those who have furnished the Literature, and to the W. C. T. U. of Rochester, East Rochester and Gonic for their helpful services. Not in the least of the kind and helpful agencies in my work has been the kindness of the Commissioners, the cordial and always hearty reception and co-operation of the Supt. and his wife, as well as the nurses and attendants. Thanking you all for such kindly interest, I remain,

Yours truly,
EDWARD W. CUMMINGS, Chaplain.

Clause Third of Will :—

“ I give and bequeath the sum of ten thousand eight hundred dollars in trust, to Fred H. Sturtevant and Ralph W. Ellis, both of Springfield, Hampden county, Commonwealth of Massachusetts, the income thereof to be paid quarterly by them to said Levi Newell Sawyer during his life. ”

Clause Fourth of said Will, as altered by her Third Codicil :—

“ After the death of said Levi Newell Sawyer I direct the said Fred H. Sturtevant and John H. Nealley of said Dover to sell said homestead and from the net proceeds thereof, if the same shall equal five thousand dollars, and if not, to sell enough shares of my stock, they to select such of said stock as they shall see fit,—to make five thousand dollars, to pay the sum of five thousand dollars to the Trustees of the Wentworth Hospital in said Dover, for the purpose of endowing one free bed in said hospital for persons having a legal residence in said Dover and who are absolutely without means and unable to pay for treatment at said hospital ;

said fund to be known as the "Hannah Sawyer Memorial Fund."

Clause Fifth of said Will, as altered by her second codicil:

"I give and bequeath unto the City of Dover, in said State of New Hampshire, the sum of three thousand dollars for the purpose of erecting and forever maintaining in proper condition and state of repair an iron observatory on its real estate on top of that part of Garrison Hill, known in ancient records as Varney Hill, in said Dover; also the sum of five hundred dollars for the purpose of constructing and forever maintaining in proper condition and state of repair suitable approaches from Central avenue in said Dover to the park herein described; also four thousand dollars in trust, the income thereof to be expended by said City of Dover in providing, beautifying and properly caring for forever a park on top of that part of said Garrison Hill now owned by said city of Dover, and also, if necessary, for the proper care of said observatory; said observatory shall be kept painted and shall have upon it in an appropriate place the words "The Joseph Bowen Sawyer Memorial." This bequest is made to said city upon the express condition that the said City of Dover, shall within two years from the date of my death, erect and put in proper condition said iron observatory on its real estate on the top of that part of Garrison Hill, known in ancient records as Varney Hill, in said City of Dover; shall also construct and put in proper condition suitable approaches from Central avenue in said Dover to the park described in said fifth item, and shall also beautify and put in proper condition said park. In case the said City of Dover shall fail within said two years to comply with the express condition above mentioned as to said iron observatory, suitable approaches, beautifying, and putting in proper condition said park, then said bequest of all said moneys under said fifth item of

my said will, and the bequest of money under the fourth item of my said will, and the bequest of money under the fourth item of my said will, whereby I endow a free bed in the Wentworth Hospital in said Dover, under certain conditions, and also the bequests under the eighth item of said will, whereby I give certain proceeds from the sale of my said house and from said ten thousand eight hundred dollars there mentioned (after providing for certain trusts and legacy) to the Wentworth Home for the Aged, and the Children's Home, both of said Dover, in equal shares, shall all become null and void, and I declare it to be my intention that the said City of Dover shall take nothing under my will, and in that event I give and bequeath all of the moneys bequeathed to the said City of Dover unto the Whittier Home, in Amesbury, Essex County, Commonwealth of Massachusetts, said bequest to be known as the "Hannah Pinkham Sawyer Memorial Fund."

Clause Sixth of said Will:—

"I give and bequeath unto the Trustees of Pine Hill Cemetery in said Dover the sum of two hundred dollars in trust, the income thereof to be expended in forever caring for the Walter Sawyer lot in Pine Hill Cemetery in said Dover, in which lot my late husband is buried."

Clause Eighth of said Will:

"And the balance remaining, if any, from the net proceeds of the sale of said house and from said ten thousand eight hundred dollars, after providing for the trusts and legacy mentioned in items four and five respectively of this will, I give in equal shares unto the Children's Home, situate on Locust street, in said Dover, and unto the Wentworth Home for the Aged; the income of the principal bequeathed to the latter to be used by the Trustees of said Home in paying the entrance fee to said Home for worthy eligible poor who

have no one to help them, and who would otherwise become public charges."

We shall be glad to learn your intentions and wishes in regard to the above provisions, and awaiting your convenience, we are,

Respectfully yours,

FRED H. STURTEVANT,

JOHN H. NEALLEY,

Executors.

I.—That the receipt of the communication from the executors of the will of the late Mrs. Abbie Martica Sawyer, conveying the details of certain conditional legacies, under the will of said deceased, to the City of Dover, be and hereby is courteously acknowledged.

II.—That the City of Dover, N. H., hereby gratefully accepts said legacies, under the terms and conditions expressed in said will.

III.—That the City of Dover regards it as a sacred privilege to perpetuate the memory of those honored and exemplary citizens whose names are so irrevocably linked with the benefactions of the generous donor.

Adopted August 24, 1911.

RESOLVED BY THE CITY COUNCILS OF THE CITY OF DOVER:—

That the city treasurer, acting for and in behalf of the City of Dover, N. H., be and hereby is authorized and empowered to accept the sum of four thousand dollars in cash in full settlement of the conditional legacy bequeathed said city under the will of the late Abbie Martica Sawyer for the establishment of a free bed in

the Wentworth Hospital, provided tender of said sum of four thousand dollars shall be made within eight months from the passage of this resolution. Should the provisional beneficiary mentioned in said will in connection with said bequest die prior to the tender of said sum of four thousand dollars, then this resolution shall become null and void.

Adopted September 7, 1911.

This indenture, made this first day of July, A. D., 1911, between James J. Sunderland and Fred H. Roberts, both of the City of Dover, in the County of Strafford, and State of New Hampshire,

Witnesseth:—That in consideration of the agreements hereinafter set forth and to be performed on the part of the said Fred H. Roberts, the said James J. Sunderland for himself, his heirs and assigns, covenants and grants with and to the said Fred H. Roberts that it shall be lawful for him, his heirs and assigns, and their agents and servants, from time to time to enter upon the premises of the said James J. Sunderland, situate on the road leading from Dover to Dover Point in said city, county and state, for the purpose of constructing, maintaining and repairing a line of water pipe leading from a spring situate on the easterly side of the house of the said James J. Sunderland to a watering-trough to be placed on the southerly side of the road leading from Dover to Dover Point, so-called; also the right to lay, maintain and repair another pipe connecting the above described line with another spring situate in a westerly direction on said premises, providing that the same may become necessary to supply a sufficient amount of water in said trough for man or beast. And the said James J. Sunderland covenants and agrees that the said Fred H. Roberts, his heirs and assigns, may take such supply of water from said springs as may be-

come necessary for said trough, said pipe furnishing said supply not to exceed one and one-half inch bore. Reserving, nevertheless, to the said James J. Sunderland, his heirs and assigns, the right to use any and all of the water in said springs for the use of himself and stock should the same become necessary.

And the said Fred H. Roberts for himself, his heirs and assigns, hereby covenants with the said James J. Sunderland, his heirs and assigns, that he, his heirs and assigns will, from time to time, and all times hereafter, at his or their own cost and expense, lay, maintain and repair said pipe or pipes in a proper and substantial manner, and the said Fred H. Roberts, for himself, his heirs and assigns, further agrees to pay the said James J. Sunderland, his heirs and assigns, as a consideration for said right above set forth, the sum of ten dollars (\$10.00) per year rental as long as said water is used for the purposes above set forth, said money to be paid on the first day of July, 1911, and on the first day of each July thereafter. And the said Fred H. Roberts, for himself, his heirs and assigns, agrees that in case said entry and laying of the pipes for the purpose above set forth shall cause any damage to the hay or crops of the said James J. Sunderland, his heirs and assigns, he will pay such damage as may be assessed against him in the following manner:— That three disinterested persons shall be chosen, one by each of the above parties and the third by the persons so chosen, who shall act as a committee to assess damages caused by such laying and repairing of said pipes. That in event of entry to repair said pipes, the said Fred H. Roberts, his heirs and assigns, shall keep open the trenches necessary for such repairs ten days only; said James J. Sunderland, his heirs and assigns, to have the right to fill in the same and charge the cost of such filling to the said Fred H. Roberts, his heirs and assigns, if the trench is kept open longer than
